SMART CLIMATE & ENTERTAINMENT CONTROL (STANDARD)

Manual Guide

works with the Google Assistant
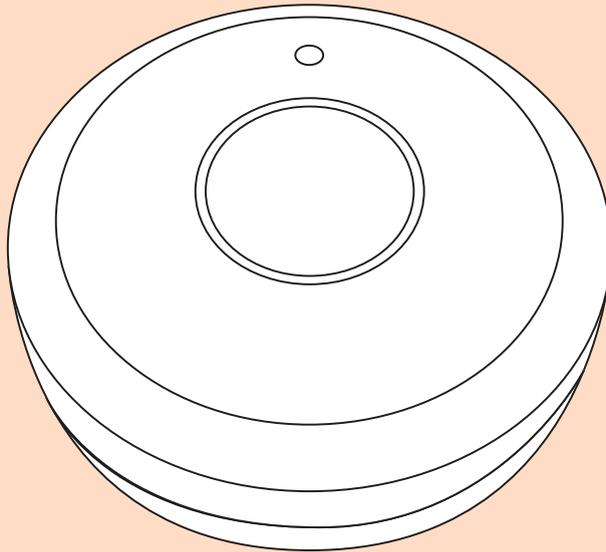

Legate Smart Appliances

Wi Fi

Let's Get Started.

1
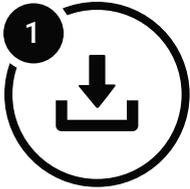

Install the app
Download the **Legate Smart Home** app from Google Play or the App Store on a compatible phone or tablet.

2

Register and login
Register on the app by using your contact number or Email address.

3

Connect to wifi
Make sure that your mobile phone and smart device are connected to 2.4 GHz wifi network.

*note: The distance between the phone and smart device should not be greater than 4meters while pairing both devices. If the signal is week you'll need a wifi booster. (Recommended Wifi Booster Version: **TP LINK TL-WA855RE**)

Legate Smart Climate & Entertainement Control (Standard) to Legate Smart Home App
