SMART PLUG

Manual Guide

Legate Smart Plugs & Switches

Let's Get Started.

Install the app

Download the **Legate Smart Home** app from Google Play or the App Store on a compatible phone or tablet.

Register and login

Register on the app by using your contact number or Email address.

Connect to wifi

Make sure that your mobile phone and smart device are connected to 2.4 GHz wifi network.

*note: The distance between the phone and smart device should not be greater than 4meters while pairing both devices. If the signal is week you'll need a wifi booster. (Recommended Wifi Booster Version: **TP LINK TL-WA855RE**)
