**Legate Smart 3in1 Aroma Diffuser  
Product Information**

## Using the Diffuser

Remove the cover and water tank lid from the diffuser. Fill a glass or small pitcher with water and carefully pour into the water tank, Add 5-7 drops of essential oil.

Place the lid and cover back on.

Plug the AC adapter into the power jack on the side of the diffuser and press the  button to start diffusing mist.

Press the  button to set the aroma timer for 1,3, or 5 hours.

The diffuser will also shut off automatically when there is no more water in the water tank.

## Cleaning the Diffuser

---

When you are finished using the diffuser, unplug the adapter, and drain any water remaining in the tank

Gently wipe the inside of the tank with a clean cloth or rag to remove any leftover oil. Do NOT use any soaps or detergents to clean the water tank.

Carefully clean the ultrasonic pad at the center of the water tank with a cotton swab

**Do not use any soap,  
detergent, or bleach  
to clean**

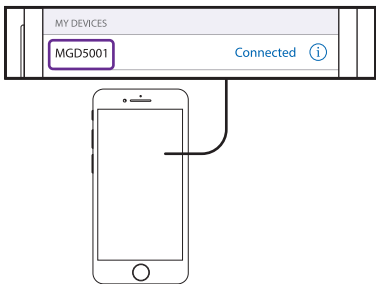

## Using the Speaker

Press and hold the  button to power the speaker on. After a moment the  LED indicator will **flash Red and Blue**.

Open the Bluetooth menu on your mobile device and connect to **MGD5001**. After a moment, a tone will be heard and the  LED indicator will **turn solid BLUE**.

Double press the  button to pause/resume playbacks.

## Using the Lights

The lights can be used while the speaker is powered on. Press the  button to cycle through the light modes.

## Questions and Support

---

If you have any questions concerning this product, please visit our website at [www.legate.com.sg](http://www.legate.com.sg)

### **MGD5001**

Water Tank Capacity: 300 mL

Operation Time: ~8-10 hours

Suggested Room Size: ~400 ft<sup>2</sup>

### **Precautions & Warnings**

- **THIS IS NOT A TOY, please keep away from children and pets.**
- Keep away from water and extreme temperatures.
- Low power may cause poor Bluetooth connection or sound distortion.
- Always place on a flat, stable surface.
- If this item is broken, please do not attempt to repair on your own, please consult the Warranty section of this use manual.
- The amount and intensity of aroma produced will vary. Factors that affect production of aroma can include temperature, water type, humidity, air current, and/or type of essential oil used.
- Only 100% natural essential oil should be used with this product. Oil containing chemical fragrance, spice, or other impurities may cause malfunctions.
- **ONLY** use the supplied power adapter to power this device.
- When not in use, the diffuser should be stored in a dry, cool location, away from sources of water or heat.
- It is recommended that the diffuser be covered to protect it from exposure to dust if it will not be in use for a long period of time.
- Follow cleaning and care instructions in user manual.
- Do **NOT** use bleach or any detergents when cleaning the diffuser.

## **FCC Information**

This device complies with Part 15 of the FCC Rules.

**Caution:** Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

This product complies with the requirements for part 18 of the FCC Rules. Although this product complies with FCC, it may interfere with other devices. If this product is found to interfere with another device, separate the other device and this product.

## Radiation Exposure Information

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

## Rain/Moisture Warning

- Do not expose the unit to extreme temperatures (heat or cold), open flames, humid conditions, or wet conditions.
- Do not submerge in water.
- Do not open this product or attempt to repair the unit yourself should it not be working.

## Rating Label Definition

— — — Direct Current

**Bluetooth**

This symbol indicates that information could be exchanged between wireless devices such as personal digital assistants (PDAs), mobile phones, laptops, computers, printers and digital cameras via a secure, low-cost, globally available short-range radio frequency band. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc.

## **Limited Warranty**

In the event that this product is defective, or does not perform properly, you may within ninety (90) days from your original date of purchase return it to an authorized service center for repair or exchange.

This warranty does not cover damage resulting from accident, misuse, abuse, improper installation or operation, lack of reasonable care, and unauthorized modification. This warranty is voided in the event any unauthorized person opens, alters or repairs this product. All products being returned to the authorized service center for repair must be suitably packaged.
