# SMART LED LIGHT STRIP

Manual Guide

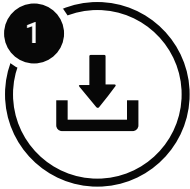

Legate Smart Lighting

# Let's Get Started.

---

## Install the app

Download the **Legate Smart Home** app from Google Play or the App Store on a compatible phone or tablet.

## Register and login

Register on the app by using your contact number or Email address.

## Connect to wifi

Make sure that your mobile phone and smart device are connected to 2.4 GHz wifi network.

\*note: The distance between the phone and smart device should not be greater than 4meters while pairing both devices. If the signal is week you'll need a wifi booster. (Recommended Wifi Booster Version: **TP LINK TL-WA855RE**)
